Subject: Portland Harbor Community Partners/EPA Update meeting, Tuesday, April 21, 4:30pm

Hello Community Partners,

EPA invites you to attend the Portland Harbor Superfund Site Community Partners/EPA meeting on Tuesday, April 21st from 4:30-5:15pm.

Mr. Dennis McLerran, Regional Administrator of EPA, and Jim Woolford, Director, Office of Superfund Remediation and Technology Innovation, have committed to meet with our community partners on the same schedule as their meetings with the Lower Willamette Group Executives.

The purpose of this meeting is to provide Portland Harbor project updates, along with a debrief from the meeting with executives from EPA and the Lower Willamette Group. This is also a time for you to dialogue and provide input to EPA about the process and any updates on activities that your group is planning.

To allow all Partners an opportunity to participate, please designate one spokesperson from your organization to present updates and concerns.

The meeting will be held at the EPA Oregon Office (Fox Tower), 805 SW Broadway Street, Suite 500, Portland Oregon, 97205. Parking is available at the Smart Park (730 SW 10th Ave) or Fox Tower Parking (Fox Tower, Taylor St. entrance). The Max lines run within one block of the building.

Please feel free to contact Kristine Koch (206-553-6705) or myself (503-326-6831) if you have questions.

Thank you,
Alanna Conley
